

8 December 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 8 December 1967

DD/I noted that the special report on the growing influence of French arms exports has now been completed.

Godfrey said that the OCI report on the Harmel study has been completed.

Warner explained briefly the role of the commission to fix salaries for Federal executives as envisaged in the pay bill.

Bross drew the Director's attention to a Monday meeting designed to prepare for the PFIAB meeting.

DD/S&T reported that the OXCART flight went last night.

DD/P noted that Senator Ellender's visit to Katmandu went without a hitch.

DD/P drew attention to reports indicating that the Yemini royalists are being seriously hurt by the air attacks.

The Director asked Godfrey to prepare a brief paper summarizing the history of movements bearing the "National Liberation Front" nomenclature.
